On Its 10th Year... A Legacy of Timeless Reverence

By: Congressman Joaquin M. Chipeco, Jr.

With the nation celebrating the 160th Birth Anniversary of Dr. Jose Rizal on June 19, 2021, the memory of that most poignant moment 10 years ago when the tallest Rizal monument was unveiled at The Plaza as the Calambeños' tribute to our greatest townmate comes back to mind. Let me share the story.

THE STORY

What would I give someone who already has everything as he celebrates a milestone birthday?

What will be a fitting tribute to a great man who sacrificed all for his country – a man who is not only revered in his hometown but in different places around the globe?

It actually started as a dream as we were preparing for the celebration of Dr. Jose Rizal's 150th birth anniversary in 2011.

Several monthly activities were lined up for the yearlong celebration, all in commemoration of the hero's venerable life and remarkable works but there seemed to be something missing. I envisioned something more tangible, something befitting Rizal's stature as our national Hero and last Renaissance man to walk this earth. It should be something that our future generations would see as a testament of their elders' reverence to our greatest contribution to Philippine history.

These thoughts kept playing over and over in my head, caused some sleepless nights and led me to ask the opinion of several trusted friends. Then seemingly out of nowhere, like an unexpected bolt of lightning, it came . . . . why not build a monument of Rizal and make it the tallest in the world.

THE CONSTRUCTION

With barely three months before the targeted unveiling date of June 19, Sculptor Jonas Roces began work on the 16.4 ft. monument. In the middle of March, I thought all our plans were going to be naught when I heard that the Nueva Viscaya monument topped ours by at least 2 ½ feet. Undeterred, I challenged the Executive Committee to increase the new monument's height to 22 feet. The conference room's wall shook to the resounding chorus "YES!" The additional height also meant additional cost, leading me to approach close friends and associates who thankfully did not hesitate to contribute to the construction.

To ensure the correctness of the statue's features and its strict conformity to the guidelines on statues and monuments set by the National Historical Commission of the Philippines (NHCP), I requested NHCP Executive Director Ludovico Baduy to assist us in monitoring the statue's construction. With Arch. Reynaldo Lita of NHCP and the executive committee in tow, we visited Roces in his Marikina workshop to check the progress of the statue. Comments and suggestion flew from all sides as we debated and brainstormed on how close the statue's features were to the famous portrait of the hero. Even his clothes and shoes did not escape the scrutiny of Arch. Lita and the committee members as we wanted the statue to be close as possible to real Jose Rizal's likeness.

THE UNVEILLING OF A NEW TOURIST ATTRACTION

Exactly one and half months before June 19, Roces delivered the 22 ft. statue and placed it on its pedestal in a newly acquired 6.7 hectare property in front of our City Hall. The granite pedestal added 7.87 feet to the total height of the monument while the 15 step circular base added another 13.12 feet, bringing the monument's total height to an imposing 43 feet with an approximate weight of 2 tons.

June 19 dawned with the soft drizzle of rain. This was the day I have anticipated, the day in which I will lead the entire city in honoring our most important contribution to Philippine history. With a hush of anticipation and to the soft strain of Calamba hymn, then President Benigno S. Aquino III tugged at the ropes which parted the green curtains and unveiled our humble tribute to our greatest kababayan. The new Rizal monument became the newest tourist and historical landmark not only in the city but in the entire country. It may very well be the pilgrimage site for people around the globe who have been inspired and enlightened by our hero's ideals and writings.

THE GIFT

I now gaze upon Dr. Rizal's new statue with serene and contemplative expression seemingly looking out for the City and I remember his admonition to us all through the character of Elias in his novel, Noli Me Tangere, "I die without seeing the dawn brighten over my native land. You who have it to see, welcome it and forget not those who have fallen during the night". The monument that we envisioned and built is not in itself our greatest achievement and contribution. The greatest accomplishment that I pray we have achieved is the continued enlightenment of our countrymen through the life and works of the hero that we paid homage to, the hero who yearned to see the dawn of freedom and had fallen in the night. The greatness of his monument is equaled only by the depth of each Calambeños' commitment to perpetuate the legacy of our greatest kababayan . . . for the whole world to see and future generations to treasure.

BUHAYANI
sa Panahon ng Pandemya

Sa ikalawang pagkakataon, ipagdiriwang ang anibersaryo ng kapanganakan ni Dr. Jose Rizal sa panahon ng pandemya. Ibang uri ng laban ang kinakaharap ngayon, ngunit tulad ng laban ng mga bayani noong panahon ni Rizal, buhay din ang ipinaglalaban ngayon at mayroong mga bagong bayani na buong giting na nasa harapan ng hamong ito.

Gaya ng tema ng pagdiriwang sa taong ito, Kilalanin at isabuhay – Kabayanihan at Bayanihan sa Calamba, ipinapa-alaala sa lahat na kabayanihan ding matatawag ang pagsunod sa alituntunin ng pamahalaan upang maprotektahan, hindi lamang ang sarili at pamilya kundi ang lahat ng taong nakakasalamuha sa araw araw.

Ang pagkakaisa ang susi upang tuluyang maghilom ang mga malungkot na naging epekto ng pandemyang ito. At dahil hindi tumitigil ang pamahalaan upang maibsan ang hirap ng pandemya, maraming dahilan upang umasa na sa tulong at awa ng Panginoon ay makakamtam ang Kalayaan laban sa Covid-19.

Sa gitna ng ganitong sitwasyon, ipinagdiriwang ang 8th BUHAYANI FESTIVAL upang manatiling buhay ang alaala ng dakilang bayani, Dr. Jose Rizal at bigyang pugay ang mga bagong bayani na nakakuha ang inspirasyon sa kanya.

Ang mga programa ng BUHAYANI ay nasa ilalim ng pamamahala ng Cultural Affairs, Tourism and Sports Development Dept. sa pamumuno ni Ms. Connie Herrera.

TULOY-TULOY ANG CONSTRUCTION NG CALAMBA CITY HOSPITAL

May anim na palapag, 100 bed capacity, may modernong pasilidad para sa General Operating Room Services, Delivery Room, Laboratory, Radiology-Ultrasound-CT scan, Hemodialysis Center at iba pa… iyan ang pinagawang Calamba City Hospital sa isang 2,000 sq.m. na property sa Kapayapaan, Brgy. Canlubang, na ipinangako ni Mayor Timmy Chipeco sa mga Calambeño na maipapatayo bago matapos ang kanyang termino bilang Punong Lungsod sa Hunyo, 2022.

Sa tulong ni Congressman Jun Chipeco na naglaan ng pondo para sa bahagi ng konstruksyon at ng Advanced Medical Systems, Inc. na nag-donate ng lupa at magbibigay ng kanilang medical expertise, ang ospital ay priority project ng administrasyon ni Mayor Timmy na magbibigay ng mas malawak na health services sa mga Calambeño.

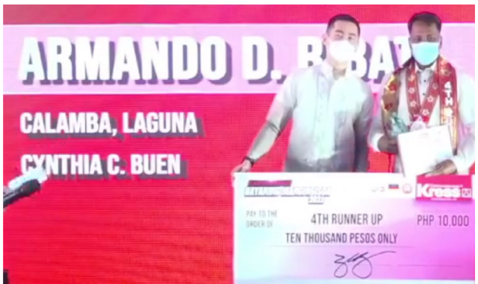
Sa pamamagitan ng proyektong ito, mabibigyang katuparan ang hiling ng maraming Calambeño na magkaroon ang lungsod ng sariing ospital.

CALAMBEÑO NAHIRANG NA BAYANING MANGINGISDA, 4TH Runner Up

Isang Calambeño, si G. Armando Bibat, ang itinanghal na Kress BAYANIHANG MANGINGISDA, 4th runner-up sa taong ito. Ang BAYANING MANGINGISDA ay isang paligsahan na inilunsad ng Kress Elektrowerkzeuge at Filipino partner nito, JGO Ventures Corporation upang kilalanin ang mga mangingisda na may katangi-tanging kontribusyon sa pag-unlad ng komunidad at pangangalag sa yamang tubig ng bansa.

Si G. Bibat ay Pangulo ng Calamba City FARMC, Manager ng Calamba Fisherfolk Producer's Cooperative at Calamba City Task Force – Bantay Lawa volunteer.

Ang nagwaging Bayaning Mangingisda ng bansa ay si G. Dante Noces ng La Union.



BUHAYANI COMMEMORATIVE STAMPS LAUNCH ON JUNE 19

What is most significant about being a Calambeño is the chance to lead a whole nation in honoring a Great Man, Dr. Jose Rizal, and be inspired by his life and works as modern day heroes and these, we express through the Buhayani Festival.

The brainchild of Mayor Justin Marc SB. Chipeco and institutionalized by the City Government of Calamba through City Ordinance No. 575 series of 2015, the Buhayani Festival, held every June 12-19, celebrates the life of National Hero, Dr. Jose Rizal through a kaleidoscope of activities and highlights the heroism he inspired among his fellow Calambeños. It seeks to keep his memory alive in the minds, not only of his townmates, but of every Filipino, especially the youth, whom Rizal envisioned as the Hope of the Fatherland.

A famous author once wrote..
To become worthy of Dr. Jose Rizal, we should live out the national life as he did and be heroes ourselves, illuminating the hearts and minds of the Filipinos with the same divine fire he carried.

Mahalin ang bayan tulad ng pagmamahal ni Rizal, at maging bayani tulad niya. Ito ang BUHAYANI.
