

## HISTORICAL PARTNERSHIP WITH JINJIANG, CHINA FORGED IN CALAMBA

The City of Calamba, led by City Mayor Justin Marc “Timmy” Chipeco welcomed the official delegation from the Municipal People’s Government of Jinjiang, Fujian Province, People’s Republic of China headed by Vice Mayor Li Zili Friday, 2 February 2018 at the New City Hall Complex, City of Calamba. The 15-man Chinese delegation visited Calamba City to formally sign a letter of intent to establish friendly ties between the two cities. Also present were Laguna 2nd District Representative, Congressman Joaquin M. Chipeco, Jr., members of the Sangguniang Panlungsod, city department heads, city employees and national media.

Upon arrival, the Chinese delegation headed towards the tallest Rizal monument at the Dr. Jose Rizal Plaza for a wreath laying ceremony and proceeded to the Sangguniang Panlungsod Session Hall for a welcome program. In his Welcome Remarks, Mayor Chipeco recalled the city’s 2016 visit to Jinjiang wherein they paid homage to the 18.61 ft. Rizal monument in the city, the tallest monument of the hero outside of the Philippines. He thanked Jinjiang for embracing Rizal as its son, acknowledging the hero’s Chinese roots and thereby keeping alive the historical link between Philippines and China through the two cities. Mayor Chipeco expressed hope that in forging friendly ties

between Jinjiang and Calamba, a deeper and better relationship guided by the principles and values of Dr. Jose Rizal will be established.

Vice Mayor Li Zili’s response to the warm welcome extended to their delegation was to invite city officials to visit Jinjiang in the near future to formally seal the two cities’ partnership. He was also thankful for the very warm reception hosted by Mayor Chipeco and was proud to call Calambenos their brothers through our fellow Calambeno and their adopted son, Dr. Jose Rizal.

Our national hero traces his roots to Cua Yi Lam, a native of Siongue Village in Jinjiang who migrated to the Philippines in 1697. From him came Juan Mercado, father of Francisco Mercado, Jose Rizal’s father, making Rizal the 23rd generation of the Cua family from Jinjiang.

Congressman Joaquin Chipeco thanked Consul General Julius Caesar Flores, Philippine Consul to Xiamen, China for facilitating the delegation’s visit and assisting both cities in establishing future friendly relations. Consul Flores was also instrumental in building the sister city ties between Calamba and the German cities of Heidelberg and Wilhelmsfeld when he was consul there. *(Noemi E. Talatala)*

## ILLEGAL VENDORS IN TURBINA, DEMOLISHED

TURBINA, CALAMBA CITY – The Public Order and Safety Office (POSO) lead by its new Technical Assistant, Mr. Jeffrey S. Rodriguez (Executive Assistant IV), peacefully demolished illegally settled vendors along Maharlika Highway on 31 January 2018. Mr. Rodriguez assembled a team composed of personnel from POSO, City Engineering Services Office (CESO) and Calamba PNP.

The operation was coordinated with Barangay Turbina through Barangay Captain Rodol V. Manalo. Traffic enforcers deployed in

the area facilitated smooth traffic flow while Risk Reduction Team and Barangay Quick Response Team were ready in case of accidents.

The demolition was done to comply with Department of Interior and Local Government’s (DILG) Regional Memorandum Circular No. 2017-19, urging the removal of all obstructions on public roads and highways and strictly enforcing the easement standard on both sides of the roads; and City Ordinance No. 511 Section 125, restricting the use of streets, sidewalks and public places. The site will also be used as drainage for the City’s Flood Control Project.

Vendors were informed before actual demolition of POSO’s “Operasyon Linis Bangketa” thru flyers distribution. All affected were also invited to a meeting with Mr. Rodriguez and Barangay Officials a week before the operation, resulting to a peaceful demolition. During the actual demolition the vendors were found out to be from Barandal, Banlic, Mamatid, Kay-Anlog, Real, Cabuyao and Biñan. *(Christopher T. Nemes)*

## CALAMBA, ONLY PRIME HRM AWARDEE IN LAGUNA

Not just one but four feathers were added in the already multi-decorated cap of the City of Calamba when Mayor Justin Marc “Timmy” SB. Chipeco received four (4) major awards last 29 January 2018, from the Civil Service Commission Region IV, headed by Director Alexia Tabino and Ms. Marieta Santo, making the City of Calamba the lone recipient of these awards in the entire Laguna Province. The awards

were given to the City Government of Calamba for upholding maturity level 2 in the four systems of the Enhanced PRIME-HRM, qualifying the city as candidate for the Bronze Award, the highest award given for such category in 2017. Mayor Chipeco graciously received said awards and recognized the contributions of each city employee. The four systems of the PRIME-HRM are Recruitment and Selection Plan (RSP), Learning and Development (L&D), Performance Management (PM), and Reward and Recognition (R&R).

The Commission also awarded Ms. Maxima Lapastora, City Human Resource Management Officer as the Best Human Resource Management Practitioner in Region IV, for her remarkable performance, dedication, and commitment to public service and for faithfully observing the commission’s mandates for effectively implementing its programs and for innovative ideas contributing to more effective, responsive, and committed public workforce. Ms. Lapastora shared the award with her fellow department heads, thanking them for their untiring support. *(Tasha Jomi B. Nuñez)*
